MEMORANDUM FOR: Assistant Director (Special Activities)

THROUGH : Deputy Director for Science and Technology

SUBJECT :

25X1

REFERENCE : Your memorandum, subject as above, dated 22 April
1965

1. Initial investigation by officials of the Assessment and Evaluation Staff, Office of Medical Services, indicates that a program such as that proposed in reference memorandum is feasible.

2. Such a program would in our judgment be a logical extension of support the AES/CMS is currently rendering OSA. C/AES/CMS has conferred with the Office of Training on the feasibility of establishing the appropriate training facilities, and plans to visit [redacted] the week of 10 May together with representatives of your office for further investigation in this regard. Following this, representatives of CMS and OTR will meet with officials of your office with specific recommendations in implementation of your proposal.
